

American Orchid Society Judging
SHEET for BOTANICAL RECOGNITION

Awarded to previously unawarded species or natural hybrids deemed worthy of recognition because of rarity, novelty and educational value. No award of any kind may have been previously made to the species as a taxon. No point score is used but the award shall be granted only by the affirmative vote of at least two-thirds of the judging team assigned.

Place _____ Date _____ Entry No. _____

Plant and clonal epithet _____
