Rhynchosstylis coelestis

- Found semi-deciduous and deciduous dry lowland forests and savanna-like woodlands at elevations of sea level to 700 meters
- Is a small sized (8 in. [20 cm]), cool to hot growing monopodial epiphyte
- Stem carries several, strap-like (4-8 in. [10-20 cm]), fleshy, alternate leaves
- Blooms on an axillary, erect to arcuate, densely many flowered, racemose inflorescence (roughly same length as the leaves)
- Fifty or more waxy, fragrant (citrus scented) flowers per inflorescence
- Occurring in the summer and fall

+ Erect inflorescence, flower count, arrangement, color (violet, red, white), fragrance, compact growth

- Flowers nodding, flower longevity

Vanda flabellata

- Found at lowland broad-leaved evergreen and semi-deciduous forests edges or sparse woods at elevations of 600 to 5600 ft. [200 to 1700 meters]
- Is a small to just medium sized, hot to cool growing epiphytic
- Requires partial sun
- Has a short stem carrying many, lorate, curved, keeled, bilobed apically 7 in [18 cm] leaves
- Blooms in the spring with a 4 to 10" [10 to 25 cm] long, pendant, lax, 3 to 15 flowered inflorescence carrying fragrant flowers.

+ Fringed lip, fragrance, compact growth
- Short inflorescence, low flower count, flower longevity

Aerides houlletiana

- Occurring in evergreen, semi-deciduous and deciduous dry lowland forests at elevations of sea-level to 700 meters in partial shade
- A medium to large sized, hot to warm growing species
- Leaves ligulate, apically bilobed
- Blooms in the spring and summer on a 16" [40 cm] long, dense, pendulous inflorescence carrying many [12 to 20], large, fleshy flowers that are quite fragrant.

+ Long stem, flower count, color, fragrance
- Pendent inflorescence, flower longevity, rambling growth habit

Perreiraara Bangkok Sunset AOS Awards

- 13 Awards
 - 9 AMs (2010-2018)
 - 4 HCCs (2013-2016)

'Karina' AM/AOS (84 pts)
Jun 2018, NS 3.3 x 3.8 cm
35 flws, 13 buds, 1 Inflor
*'sepals and petals full, butter
yellow, suffused coral pink,
darker apically; lip midlobe
white, overlaid fuchsia'*

Perreiraara Bangkok Sunset – AM/AOS Awards, cont'd

'Honey Bee' AM/AOS (81 pts)
Jul 2016, NS 3.0 x 3.5 cm
33 flws, 2 buds, 1 Inflor
'sepals and petals ... blushed brown-orange centrally and distally ... midlobe overlaid rose'

'Morright' AM/AOS (80 pts)
Oct 2015, NS 2.4 x 2.4 cm
38 flws, 0 buds, 1 Inflor
'sepals and petals ... heavily flushed rust-red ... distal two-thirds ... midlobe bright pink'

'Meta' AM/AOS (84 pts)
May 2015, NS 2.6 x 3.2 cm
37 flws, 8 buds, 1 Inflor
'sepals and petals ... overlaid red-gold on distal half ... midlobe overlaid lavender-pink'

Perreiraara Bangkok Sunset – AM/AOS Awards, cont'd

'Enya' AM/AOS (81 pts)

Oct 2014, NS 2.5 x 2.8 cm

15 flws, 16 buds, 1 Inflor

'sepals and petals ... brick red distal two-thirds; lip white suffused rose-pink'

'Memoria Marielos Gonzalez'
AM/AOS (84 pts)

Feb 2014, NS 2.4 x 2.5 cm

44 flws, 16 buds, 1 Inflor

'sepals and petals ... overlaid copper apical two-thirds ... lip ...overlaid rose-pink apically'

'Danny Bennett' AM/AOS (80 pts)

Nov 2013, NS 2.3 x 2.3 cm

17 flws, 14 buds, 1 Inflor

'sepals and petals base color gold with red suffusion apically; lip pale fuchsia apically'

Perreiraara Bangkok Sunset – AM/AOS Awards, cont'd

'Rainbow' AM/AOS (81 pts)
 Oct 2013, NS 2.6 x 2.6 cm
 28 flws, 7 buds, 1 Inflor
*'sepals and petals ... blushed
 light mahogany distally;
 spurred lip lilac'*

'Irma' AM/AOS (80 pts)
 Oct 2010, NS 2.6 x 2.8 cm
 21 flws, 1 buds, 1 Inflor
*'sepals and petals ... old rose
 apically; lip ivory'*
