# Orchid ER

Emily Quinn will lead a workshop set up with sick plants being brought in to identify problems. We will have examples of products to use as treatments. Our slide show will also show different problems for reference.

Emily is an accredited AOS orchid judge and the Training Coordinator for the Dallas Judging Center. She grows her orchids in a backyard greenhouse. Emily enjoys most orchids but has a special place in her heart for bulbophyllums and other oddballs.

## ORCHIDS

Before most of our meetings there is an Orchids 101 class for orchid beginners or people with questions. Sometimes it is just a Q&A session and sometimes there is a formal topic that will be discussed. So meet with Lorna or Charles in the greenhouse at 2:00 for 30 minutes prior to our regular meeting. All are welcome.

This month Lorna will discuss "Summering Your Orchids Outside."
